

Trueknack Skill Services

**Your Strategic Recruitment
Partner**

Connecting exceptional talent with outstanding opportunities across every industry.

ABOUT US

Building Teams That Transform Businesses

At Trueknack, we are more than just a recruitment agency - we are your strategic hiring partner. With a dedicated team of 40+ expert recruiters, we specialize in connecting businesses with top-tier talent across all industries and experience levels.

From entry-level positions to C-suite executives, our comprehensive approach ensures you find the perfect fit for your organization's unique needs and culture.

OUR EXPERTISE

Specialized Recruitment Across All Industries

Our team of 40+ highly trained recruiters brings deep domain expertise across diverse sectors, ensuring we understand your industry's unique requirements and challenges

Banking & Financial Services

Trueknack's Banking & Financial Services practice helps Banks and NBFCs hire the right talent for growth.

Information Technology

From software engineers to data scientists, we connect you with tech talent that drives innovation.

Non-IT Corporate Roles

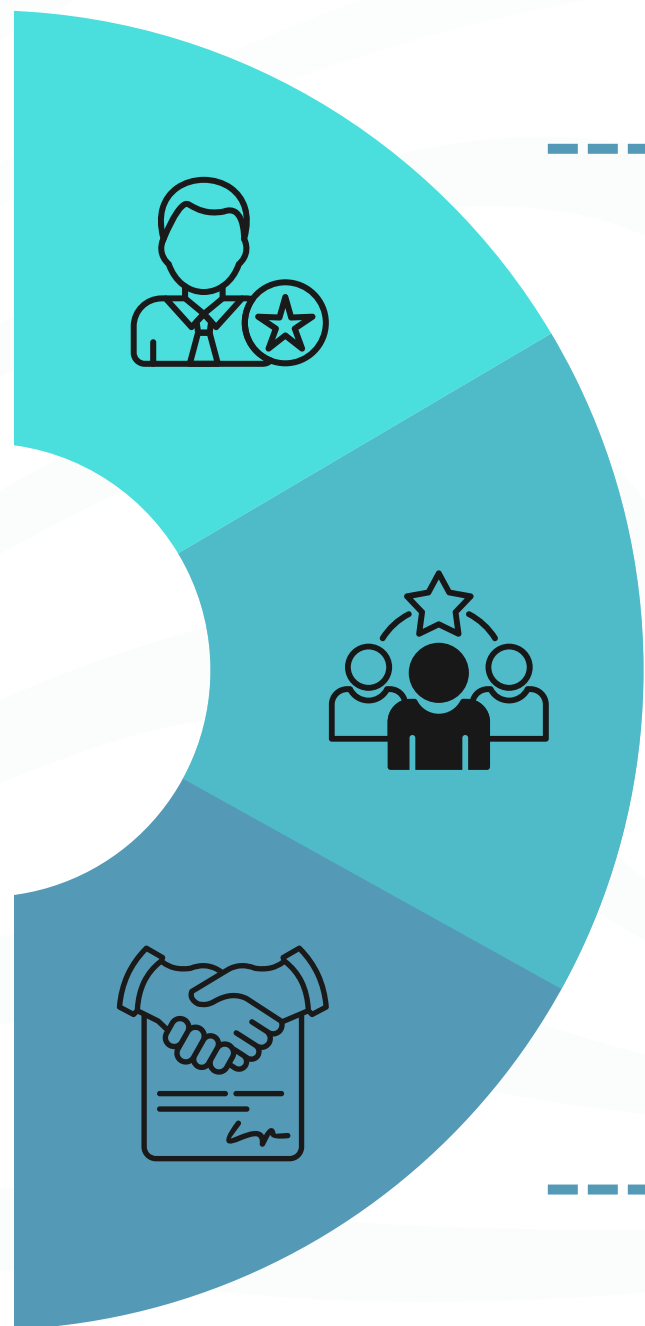

Finance, HR, operations, sales - we cover every business function with precision and care.

Manufacturing

Skilled trades, production managers, and quality control experts for your operations.

Hiring Solutions for Every Need

From Executive to CEO

We recruit across all seniority levels, from entry-level executive to leadership positions

Volume Hiring to Leadership Hiring

Whether you need one key hire or 100 new team members, we scale to meet your requirements

Flexible Contracts

Short-term projects or long-term partnership
- we adapt to your business timeline and needs

The Trueknack Advantage

Professional Excellence

Our 40+ person team undergoes continuous training to stay ahead of industry trends and recruitment best practices.

We combine cutting-edge recruitment technology with human insight to deliver exceptional results.

Quick Turnaround

Speed matters. We deliver qualified candidates faster without compromising on quality.

Replacement Guarantee

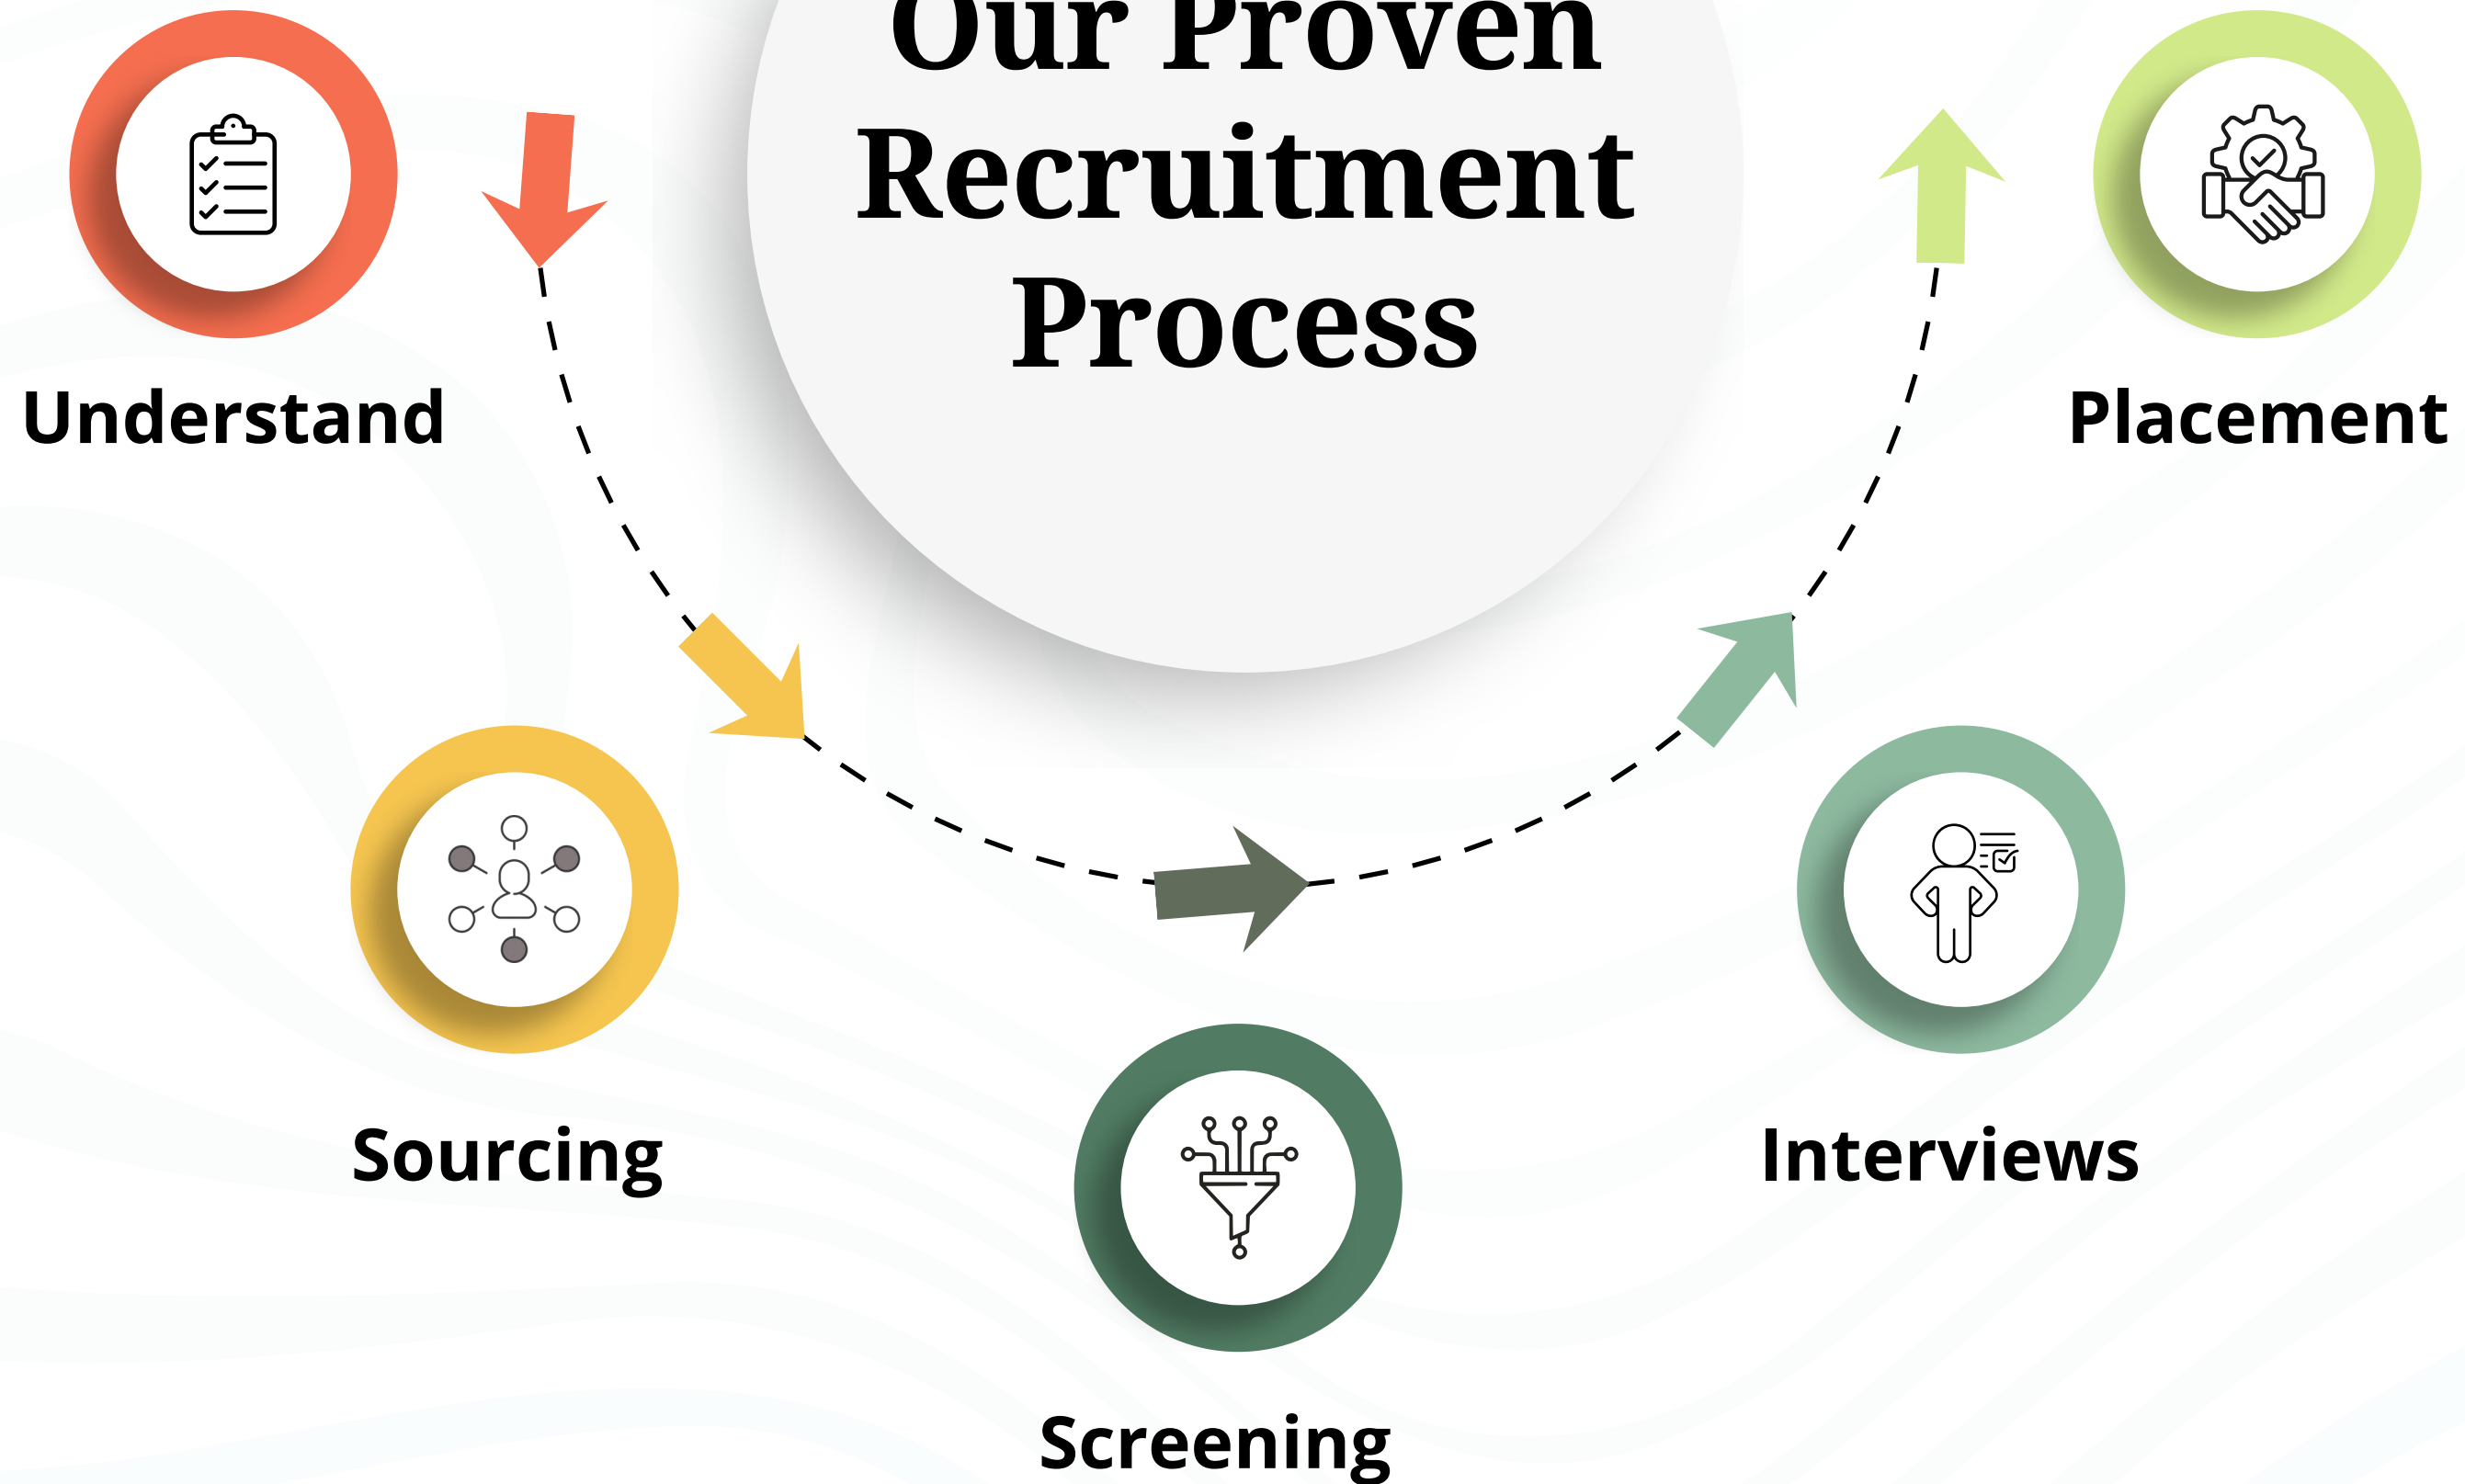

If a placement does not work out, we will find you the right candidate at no additional cost.

Full Transparency

Clear communication and regular updates throughout the entire recruitment process.

Our Proven Recruitment Process

Our streamlined process ensures you get the right talent efficiently. We begin by deeply understanding your needs, source from our extensive network, conduct thorough screenings, coordinate interviews and support you through onboarding and beyond.

Meet Our Founder

DEEPAK SINGH PARIHAR **Founder & CEO**

With a vision to transform recruitment into a strategic partnership, Deepak founded Trueknack to bridge the gap between exceptional talent and forward-thinking organizations.

Under Deepak's leadership, Trueknack has grown into a trusted recruitment partner for businesses across multiple industries. His commitment to excellence and client success drives our team's dedication to finding the perfect match for every role.

Deepak's approach combines deep industry knowledge with innovative recruitment strategies, ensuring Trueknack stays at the forefront of talent acquisition.
